

# Local Green Space Assessment Report

## Name of Space

School Playing Field  
Weston Road  
Edith Weston

## Plan

## Special Community Value

This area is currently used as school playing field and wildlife garden.

### Suitability for LGS Designation

<b>Special Community Value</b>	The space is of special community value, as described above.
<b>Area of space (Ha)</b>	Approx. 0.88 Hectares (2.18 acres)
<b>Planning permissions or site allocations</b>	None.
<b>Other Designations</b>	This land is inside the planned limits of development and outside the conservation area.
<b>Not an extensive tract of land</b>	This is not an extensive tract of land as only approximately 0.88 Ha
<b>Close to the community it serves</b>	Next to public highway, school and glebe land used for recreation.

### Conclusion

**We believe this area should be protected as a Local Green Space as it forms valuable recreational facilities.**
