PARISH COUNCIL MEETING 30 MARCH 2020 CANCELLED

Dear Residents

The next meeting of Edith Weston Parish Council due to be held in The Village Hall on Monday 30 March 2020 at 7.15pm has been cancelled due to the Covid-19 situation.

We are waiting for emergency legislation to pass through the House of Commons (today, hopefully) to enable us to continue running Parish Council business in alternative ways. Once this new legislation is disseminated down to us, we will be able to continue with the running of the parish affairs. Some members of the Parish Council, myself included, are being asked to self isolate for 12 weeks due to underlying health conditions. I am fully expecting this situation to affect the upcoming Annual Village meeting due to be held on May 11th. I would encourage you all to keep an eye on the village website where I will endeavour to keep you all up to date with when and how these meeting will continue.

I have set up a Covid-19 page on the Village website where I am sharing as much advice as I can. I am also continuing to work closely with RCC through daily email updates and a weekly conference call to make sure information is disseminated as quickly and efficiently as possible.

Please be well assured that you have a strong, resourceful and resilient team of Parish Councillors who will continue to make sure Edith Weston remains well represented.

Please remember to follow the social distancing guidelines and stay safe. If you require any help due to self isolation please remember the Edith Weston Community Volunteers are available to assist you in any way that can and can be contacted on 01780 722164.

Best Wishes

Cathie Gwilliam
